Product highlights

Digitally enhanced sound
Digital transmission of PC audio signals via USB adapter that delivers instant up mix for incredible sound effects.

USB Plug & Play
USB Plug & Play means that the device conforms to USB standards and is recognised by the PC or laptop. This makes plugging in USB devices quick and simple to do.

Adjustable microphone
This easily adjusted boom will make sure the microphone is always optimally positioned to pick up your voice.

Sensitive directional mic
To ensure the microphone is always optimally positioned to pick-up your voice.

Comfortable to wear
This headphone is designed around the shape of your ear for extra comfort and more enjoyment during longer periods of listening.

Ultra-lightweight design
The slim, lightweight stainless steel headband is so light you'll hardly notice you're wearing it.
